FILE HEADING.

Estimate for Rs 2500/- for reconstructing the Srikanta Mandiram, a building attached to the Sri Srikanteswara swamy temple at Nanjangud.

From

The Mg. Commr in Mysore

No. C. 718 of 1925-26 Dated 4-1-26 Received

Diary No. 752	Enclosures	Spare Copies	Serial No. 1

BRIEF ABSTRACT OF LETTER.

Solicits sanction of Govt to an estimate for Rs 2500/- for the reconstruction of the above building, which was badly damaged by the heavy floods of Kabini and Gundlu rivers and it is not possible to have it repaired

NOTES AND ORDERS.

The building, it will be seen from the records, was transferred by the Palace to the ~~&~~ temple in 1892, subject to the condition that it should be restored to the Palace whenever required. Though it was originally intended

for the temporary occupation of respectable pilgrims, it however is stated to have been always occupied by either the Amildars or Sub. Dy offrs. paying a rent of Rs 10 a month.

2 The building having been completely damaged by the floods, an estimate for Rs 2500 for its reconstruction has been prepared and subd for sanction.

3 The Huzur Secretary, who was consulted in the matter, states that there is no objection to the proposed work and that the condition under which it was transferred to the temple by the Palace, will still hold good.

4 The temple Dharmadarsis have agreed to the reconstruction at the estimated cost, the charge being met from the temple funds, provided the monthly rent is enhanced to Rs 15/-

The amount of credit will have to be ascertained -

5 Subd for orders as to whether the estimate which has been countersigned by the D C may be passed -

6 As the estimate does not include establt, Tools & Plant charges at 10½%, it is for orders as to whether an enquiry may be made in the matter.

7 It is seen that, though this building was intended for a high class Temple Chatram, (for the temporary occupation of respectable pilgrims & others), it has always

been occupied by the successive Amildars at Rs 20 for a rent of Rs 10 a month), for want of a suitable building in close proximity to the Temple. Thus it has been the permanent residence of the Amildars or S.D.O's & not a shelter or lodging for the Temple visitors distinction. Secondly this is not a Temple building, absolutely. It is a building of the Palace at the control of the Temple, on the condition that it should be restored to the Palace whenever required.

8. The cost of the reconstruction is estimated at Rs 2500/- & is proposed to be met from the Temple funds. The amount at credit has also to be ascertained. The estimate does not include the Establishment, Tools & Plants charges. An enquiry may be made about these points.

9. The Dharmadarsis are agreeable to the proposed reconstruction from out of the Temple funds, provided the monthly rent is enhanced to Rs 15/-. The residential nature of the building would then be confirmed. It is also a point whether the local officer, (i.e., Asst primarily) can be required to occupy that building alone at the rent. 10. The Mgr. Commr recommends sanction to the estimate, from out of the Temple funds & says that, after the repairs are over, the question of enhancing the rent will be considered & definite proposals submitted for orders of Govt. For orders.

11. An increase of 5 Rs in rent on a capital cost of Rs 2500 is not a commercial proposition. If the present building is so badly damaged as to require to be reconstructed, there is no help for it.

(A) 12. The DC's report shows that there is sufft. cash money at the credit of the temple to meet the cost.

13 (A) I am not sure about it. Recently we have sanctioned some Estimates (supplementary and otherwise) in respect of this temple and I think that the funds at its credit SD have been used. Executive Department may be asked

14 It has been ascertained from the Comptr's office that the amount at the credit of the temple at the end of 1924-25 was about Rs 6344 Rs. ~~Since then~~ An estimate for Rs 9000 for rebuilding the car of the temple and a revised estimate for Rs 8581 for the Vasanta Mantap — the excess to be met from the temple now being Rs 1909 —

ST 5/1/26

Sir,

I have the honor to forward herewith in original for reference and kind return correspondence ending with letter C.No.286/24-25 dated 27th August 1925 from the Deputy Commissioner, Mysore District - submitting for sanction an estimate for Rs.2500/- for reconstructing - the Srikanta Mandiram, a building attached to the temple of Sri ----- Srikanteswaraswami at Nanjungud, as it is badly damaged by the heavy floods of Kabini and Gundlu rivers and is not fit for any kind of repairs.

2. The Huzur Secretary to His Highness the Maharaja who was ----- consulted in the matter states that there is no objection to the ---- proposed reconstruction of the building and that the control of the reconstructed building will vest in the temple authorities as heretofore on the same conditions as were held good when the present building was transferred from the palace to the temple control in 1892.

3. An attempt was made to trace the original records but they are not traceable either in the Palace office or in the Taluk. Extracts from "To" & "From" registers relating to the transfer of the building to the possession of the temple authorities received with the Huzur Secretary's D.O.No.386 dated 4th November 1925 are enclosed for ----- reference. Though the building was intended for the temporary ----- occupation of respectable pilgrims and others, yet it has always been occupied by the successive Amildars or Sub Division officers as no other suitable building is available in close proximity to the temple (vide Amildar's detailed report dated 29-6-1920 enclosed in the ---- records). A rent of Rs.10/- a month is recovered by the Devasthanam

and the garden attached has been leased out separately.

4. In the interests of the temple and of the building also, I solicit sanction of Government to the enclosed estimate for - Rs.2500/-, the charge being met from the funds of the institution. After the repairs are over, the question of enhancing the rent -- will be considered and definite proposals submitted for orders of Government.

I have the honor to be,
